Community News

Oberon Fire and Rescue NSW are hosting our annual Open Day on Saturday, 11 May 2024 between 10.00am and 2.00pm.

Drop past and have a look around our station, handle operational firefighting tools, sit in our appliance, see fire safety demonstrations and book in a Home Fire Safety Visit.

You can also talk to us about joining FRNSW as an on call firefighter here in Oberon!

There will be food and coffee vans as well as competitions and prizes- something for the whole family!

So make sure you mark it in your diary and come and meet the team that is prepared for anything and learn how to 'be home fire safe'.

With winter on our doorstep, now is a great time to catch up with some of your local Fire and Rescue NSW firefighters to learn about the simple steps you can take to keep safe during the cooler months.

For more information on your local station, visit www.fire.nsw.gov.au/openday and follow us on Facebook www.facebook.com/frnsw.
