From the Principal

Welcome to week 8!

I am looking forward to the Walk and Talk Tour for our 2026 Kindergarten families who would like to have a look around our beautiful school. It is on the 2nd April at 9.30am.

This Friday is Harmony Day at school. I look forward to seeing students dressed in their cultural dress or dressed in orange.

We are so excited that more children are attending school each day and arriving on time. This makes such a difference to your child's learning.

School photos

Just a reminder that the sibling photos that are offered through the school photographer are for siblings and family groups only. They are not to be used for friendship group photos.

Anti-bullying environment

All public schools actively prevent student bullying and encourage appropriate behaviour by helping students build social skills and respect for others.

Schools also have plans in place to deal with bullying or harassment, and school staff are trained to deal with these situations. We are a Positive Behaviour for Learning (PBL) school and there is no place for bullying here.

Should you feel that you must raise a concern formally, the NSW Department of Education has procedures for ensuring that complaints are handled fairly. Information about how to lodge a complaint is available in the school office or in the case of complaints relating to racism, you can contact the school Anti-Racism Contact Officer (ARCO) who is Mrs Thompson. Further information is also available in the Department’s Complaints Handling Policy procedures.
